Implant skillZ™

Soft Tissue Grafting

Virtual Program Series

Flexibility and Accessibility Through Virtual and Hands-On Learning

This **implant skillZ** series will provide the clinician with the knowledge necessary to understand and perform various soft tissue grafting techniques. The skillZ series will focus on the importance of soft tissue management in dental procedures, using dermis allograft and illustrated through case studies. The curriculum includes a series of 3 webcasts, each followed by skill development with hands-on exercises.
