# Virtual Program Series

Flexibility and Accessibility through Virtual and Hands-On Learning

This **zbi implant skillZ** series allows restorative clinicians to start on the road to competency with implant-supported overdenture therapy. The curriculum begins with a series of two (2) webcasts viewed individually or in a group, followed by skill development with hands-on exercises for learning overdenture treatment.

Zimmer Biomet Dental is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zimmer Biomet Dental designates this activity for up to 3 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](http://ADA.org/CERP). Featured speakers have a financial relationship with Zimmer Biomet Dental resulting from speaking engagements, consulting engagements and other retained services. Unless otherwise indicated, as referenced herein, all trademarks are the property of Zimmer Biomet; and all products are manufactured by one or more of the dental subsidiaries of Zimmer Biomet Holdings, Inc. and marketed and distributed by Zimmer Biomet Dental and its authorized marketing partners.
